Dear Dr. Jordan,

At the recent Presidential Board meeting held in Antalya, Turkey, 27-28 January 2007, the Board confirmed the report of the Chairman of the FIDE Technical Commission that the Silver Clock had passed the testing requirements.

You are therefore permitted to state in your advertisements that the clock has been tested by FIDE Technical Commission and is in full accordance with FIDE rules and regulations. This applies only to the model you submitted and not to the earlier versions of the clock.

Best regards,

David Jarrett
Executive Director
